

**What is NotesLinker?**

A 3rd Party Add-in. A Connection between Lotus Notes and MindManager® Pro 7!

Features:

- Transfer calendar, contact and task data to MindManager from Lotus Notes and vice versa.
- Data is automatically refreshed; this can also be initiated by the user

**Solution Development**

Customise NotesLinker for maximum individual and team productivity. Spirit Education, Mindjet Solution Partner, will help ensure that NotesLinker meets your needs.

**Simple as a Click!**

Easily share data between your Lotus Notes calendar, contacts and tasks and MindManager. MindManager's Smart Map Parts allow you to.

- Manage tasks
- Manage appointment
- Manage contacts
- Simplify your needs!

**Simplify your needs!**

NotesLinker uses Map Parts to take over selected Elements to Lotus Notes.
